ADA Assessments

What We Provide:

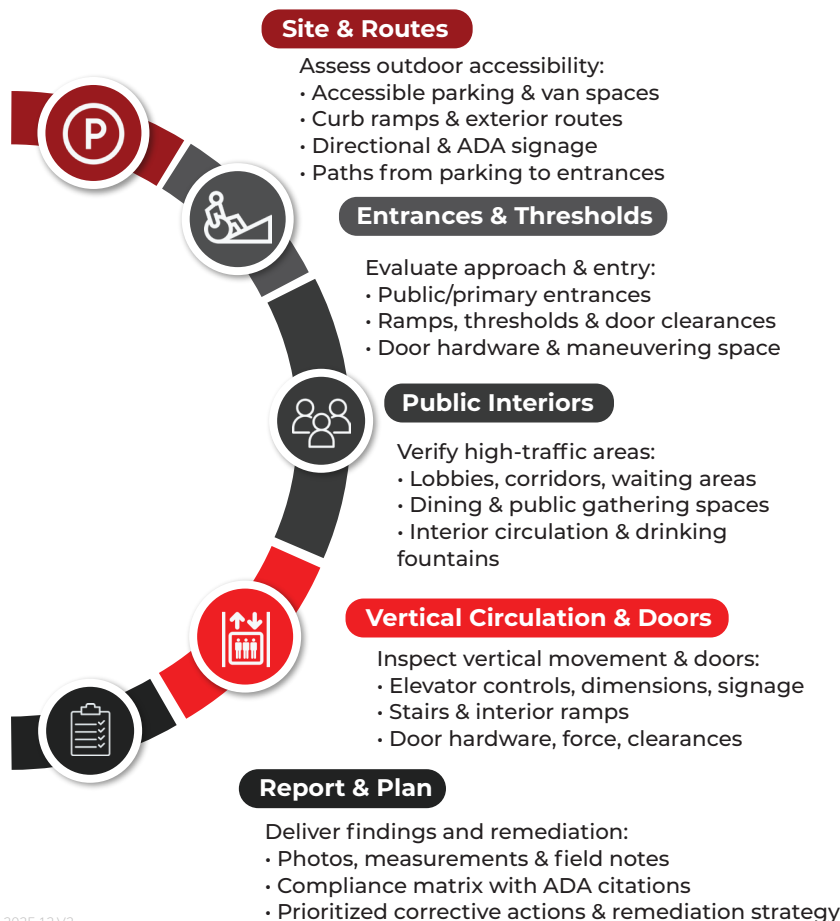

A comprehensive ADA Accessibility Assessment that evaluates exterior and interior campus features for compliance with the ADA Standards for Accessible Design and applicable state accessibility requirements. The assessment identifies barriers, prioritizes corrective actions, and delivers clear recommendations to support long term accessibility planning.

Why Organizations Need ADA Assessments

Ensuring accessibility is essential for:

- Regulatory compliance
- Patient, visitor, and staff safety
- Reducing liability risks
- Strengthening equity, inclusion, and overall patient experience
- Supporting long term facility planning and capital decision making

Scope + Process

Deliverables

- Comprehensive ADA Accessibility Assessment Report
- Compliance Matrix organized by location & ADA reference code
- Photographs, measurements, and field documentation
- Prioritized remediation actions with recommended corrective strategies
