Interim Director of Facilities Management (DFM)

What We Provide:

An experienced Interim DFM supported by an FMS Executive to deliver leadership, operational stabilization, and strategic oversight during periods of transition. Engagements can be structured weekly, monthly, quarterly, or for longer-term needs.

Why Organizations Need an Interim DFM

- Significant leadership turnover
- Staffing shortages
- Active / planned construction
- Communication gaps with leadership
- Need for immediate operational stabilization

How the Engagement Works

Core Services

- Leadership & Operational Stabilization
- Construction Project Oversight & Coordination
- Operational & Financial Management
- Regulatory & Compliance Oversight
- Vendor, Stakeholder & Performance Management

Client Responsibilities

- Provide facility access and necessary IT connectivity
- Provide workspace for the Interim DFM
- Ensure firewall access for FMS systems
